

In-flight Service is a challenging project for 4th year students of Airline Business Program who attend the class of Cabin Crew Management.

Two teams of AB students conducted the mock-up flight on November 26th, 2018 for students from Joseph Upatham School' and Wat Rai Khing Wittaya School'.

SSRUIC would like to say thank you for both schools for your participation in this project and your visitation at our college. We hope you have a good time with us.
